AUGUST ISSUE 2010

### **Bartender's Talk Story**

#### **What's your Specialty**

Aloha sunrise, I'm driving down to old industrial and stopping by Teru's to see Marty and she had her favorite drink a Bloody Mary ready for me! She was cleaning up from her Sunday live Hawaiian music and was suggesting early breakfast on the waterfront. So off I go to LuLu's, where I find Matt making his am special Patron Mango Margarita. He was sharing the kickback am view of the Jet skiers falling off to swim with the dolphins. I'm in a bit of a hurry to catch Jessie and Chris at Kona Town Tavern, they are having a 2 day 2nd Anniversary celebration August 14th & 15th all day long, and of coarse the coldest beer in town! Shootz, maybe after that I can get Zoe's specialty "The Zoelicious" only at Rockstarz! They are having amazing entertainers from the mainland perform this month. Well, Camie and Levi are to met me to practice pool at KoKonutz. She is the model with Uncle Willie K on the cover, and has that donated Fender Stratocaster from Music Exchange in her hand, also signed by Uncle for Auction, [www.makemydayhawaii.org](http://www.makemydayhawaii.org). Levi is asking for your vote on [www.gerbergeneration.com](http://www.gerbergeneration.com) to follow in his mom's footsteps. So gotta go see Josh at Kokonutz his specialty drink is a Pineapple Express! Josh started to explain that there are so many bartenders to talk story too, and on his day off he tries to find them all. I'm thinking a \$1.00 Taco with these free pupu's and on the water front, is my lunch time paradise. Especially since our New check in office for Iolani Air Tours is below us, and Island Massage behind us. Sunset is coming and the earliest music near here is at Basil's. So let's go listen and see Dave and try his Italian Margarita, with waterfront view. Later we can call Cruz'n Taxi and do the late night Cruise to get the entire music scene at Rockstarz, LuLu's, Kokonutz, Teru's & do some Salsa Dancing at Mixx Bistro. Oh yea, David can make us a mean Martini! I bet we can still close down The Korner Pocket in Kealakekua with a game of pool and more dancing to their live band! Oh What a day in paradise!!!!
